DECEMBER 2024

TPM IN IRELAND

On September 17-18, 2024, I&F proudly hosted a transnational meeting for the GreenYou Erasmus+ Project, dedicated to empowering youth through green initiatives.

During the two-day event, we reviewed the progress across all project work packages. Key milestones include the successful creation of the MOOC platform and escape rooms, with ongoing efforts focused on augmented reality tools and finalizing the green curriculum.

HIGHLIGHTS

This meeting highlighted our commitment to fostering innovation and sustainability in youth work. Stay tuned for more updates on our journey!

RESULT 2

GREENYOU AUGMENTED REALITY TECHNOLOGY GREEN CURRICULUM

We are excited to share the development of a green curriculum aimed at equipping youth workers and organizations with essential knowledge and skills in green and digital transformation. This innovative educational programme is designed to support sustainable practices while embracing the opportunities of the digital era, ensuring a forward-thinking approach to youth work.

Stay tuned as we continue to empower communities with practical tools for a greener, smarter future!
